Agree...they are a bit challenged when it comes to the TV stuff! Bella,  
ok for James to leave the Cable box in 11J?  
...and yes, agree the least amount of trips you need to make the  
best...I can get you in to 10B prior to Fri.  
May 26th...it is [REDACTED] mom who is in there  
so I can coordinate you for early in the  
week...(Mon/Tues)

I'm available 10-6 all next week at the moment. Obviously, I'd like to stack as many apartments into the same appointment as possible (so Monday or Tuesday next week??) — but I'll happily make a special trip to have Nili there.

Which reminds me.... Can I \*please\* leave Nili & Ehud's cable intact? I'm worried they'll not take to the AppleTV and will feel like we're taking away their television. (I'm happy to ask her if she would rather get rid of the cable box, of course, but I'd be surprised.)

Thanks,

-I did not tell the girls their cable TV boxes will be pulled.  
I will.

-I will coordinate with the girls when you can go next  
week.

-Re Guest apartments, you may install in 7J either Mon.  
May 22 or Tues.  
May 23. Guest

arrives Wed. May  
24.

-10B you can install on Fri. May 26th. Guest in apt until  
May 25

-8A, 11P you may install any day next week that works as  
we have no guests.  
Please DO ASK  
ME again however  
because things can  
change ..

-I will need to coordinate with Ehud...they have an alarm  
system and we must  
tell his security  
detail, etc. He is in  
town until May  
24th. I 'll be in  
touch. It may be  
good to do while  
Nili is there so you  
can give her a  
demonstration of  
how Apple TV  
works...Are there  
any days next week  
that would not  
work for you to see  
Nili?

Hi Lesley,

The AppleTVs should be delivered today & JEE opted for a speaker that doesn't require my install, so we should be ready for me to install starting next week. I haven't seen a response from [REDACTED]; we've ordered an extra AppleTV for her unit.

Are any of the guest apartments vacant?

Also, do the assistants know that I will be pulling their cable TV boxes at the same time?
