We don't know yet - maybe mid June, but nothing has yet been determined.

good morning Nili...do you know when you are coming back to NY? We would like to try and rectify the chain problems prior to your arrival...

Sure karina can come in. Both windows with chain problems are in the bedroom. Just remember to call for alarm disarming.

Everything else - I count on you.

Ni Nili!! All good to know...we most definitely can get the chains fixed for you on the windows...would it be ok for me to send in Karyna

tomorrow or Friday to determine the problem and possibly get them fixed prior to your arrival back?

Once you are back we can put you in touch with James or maybe even one of Jeffrey's assistants who live at the apartments could swing by to lend you a hand and a lesson...!

I hope Tess will be in on Friday...she will be out tomorrow for medical reasons and let me know she may not be able to come in on Friday...if it is not Friday, we will get her in one day next week (probably more like Wed, as Monday is Labor Day and Jeffrey's main maid does not return from FL until late Tues...and Jeffrey is returning Tues...Don't worry though ...we will figure it all out)!

Hi [REDACTED]

We leave today. I arm the alarm. Tess told me that she will come on Friday, so she will have to call Rafi to disarm.

Thanks for the  
appletv - it seems  
much better,  
though we haven't  
yet got all the  
channels and  
possibilities.

When we come  
again I will have to  
get James explain.

There is also a  
problem with the  
chains of the  
window shields. It  
will also wait next  
time.

Best regards

Nili
