ok, I need the international service but along with that I need the Cruise cell coverage package. I added this package for \$60 which you will see on our statement. I told them I want it to start on June 26 and end June 30. It is 50 min of talk time and 100 sends for texts (I can receive unlimited texts) If I go over it is \$1 per a minute of talk time and .50 per a text. I hope to not really use any of it, but better to be prepared!
