Good morning!! Jeffrey received the swatch. I have not heard anything however. Larry is happily enjoying all his daughters wedding festivities this week and into the weekend so we will not hear from him. I'll let Jeffrey know you are following up and see if he has any comments.!!

Ok, take a look at the panel in the natural sun light if possible,  
it's a very nice colour.

Blair,,,

Can you provide a paint sample  
for me,. 8x11 would be fine?  
I'll pay for it,."Midnight BLUE  
PEARL from PPG color chart:  
Color code is: PPG Aerospace  
Color Chart.

Code: AL6013 or it's A16013  
(after the A it's either a 1  
or an L).

called "Midnight Blue  
Pearl"

If you don't spray, PPG paint,. If  
you could match the color to this  
in your product would be fine,.  
Just a close match is fine,.,

Thx,

Very attractive price Blair,,  
1-Can you confirm you  
follow the GAMPS4000  
criteria  
2-can your avionics shop  
provide a quick quote, I  
currently have  
Airshow4000 installed, I  
understand there is a  
software upgrade to  
revision II,, can you  
provide a price for this  
also?

Thx  
Larry

Good morning Larry,  
here are the quotes  
that you requested for  
the G550 Exterior  
paint. There is a  
difference of 10k due  
to the metallic colour.  
I hope you find the  
prices to be  
competitive as I know  
Gulfstream is very  
expensive and would  
be extremely higher.  
We produce the same

quality with much lower prices.

We are also a one stop shop and do Interior, Avionics and major Mod's, in the future if your require any of these services please consider us for future work. If you have any question please feel free to contact me

Thank you

Hello Blair,,  
Nice speaking with you, attached is a rendering portrayed in gray, however my boss has decided to go with a dark blue solid or a Dark blue metal flake,.

The engines may be a slightly lighter shade of blue,.

No Gear or wheel well paint needed,,  
Can you quote two prices?

1-Dark Metallic Blue  
2-Solid Dark Blue,,

Input Date May  
24th area.,
