Good morning Leslie,

Yes, please have jojo bring out seat and yes, JE wanted us to see the Bentley - that can happy anytime between now and next week.

Best Regards,

Eric

Good morning Eric! I have two questions for you: Larry has asked that Jojo bring the captains chair to you in Islip. I Want to make sure you know about this. Jojo was going to deliver this to you tomorrow morning. Question number 2: did Jeffrey want you to see his new Bentley? Did he say anything to you about this?

Lesley
