Hello Taylor. I would like to help Sultan Bin Sulayem facilitate his order #740-627542-142810 of 30 (thirty) "23 and Me" kits he placed an order for on May 21, 2017. You specifically emailed him to find out the use of the 30 kits. He would like to give them to his co-workders so they too may enjoy investigating their ancestry. (Sultan participated with his own DNA and found it fascinating...he wants the people he works with to participate as well) The kits are to be delivered to:

Jeffrey Epstein  
9 East 71st Street  
NY, NY 10021

The kits are to be delivered to Jeffrey's address for ease. We have ordered many kits ourselves as gifts...indeed, Sultan received his personal kit from Jeffrey as a gift.

The kits were paid for by Jim Miller who is Sultan's Personal Assistant. Jim has a supplementary credit card that is linked to Sultan's account so he can make purchases in Sultan's name.

Please advise what, if any, other information you would like so we may have the kits shipped as soon as possible. If we need to make an entire new order, please let me know so we can do so.

Thank you,
