Subject: G550 Seat

Jojo, .
When JE departs tomorrow,, can you deliver the G550 captain seat we removed from
the plane to International Jet Interiors at Hawthorne Aviation in Islip, .
Either Friday or Monday?
If you remember we removed the seat from the G550 and installed the white leather
seat, .
It's the older and darker leather seat that should be in the basement at 71st St.
Deliver to Jay Massar who is CC'd on this email, ,
Thx
Larry
