Hi Blair and Larry...Blair, you are actually email with me (Lesley) Jeffrey's personal assistant...I believe you mean to send the question to Larry...Larry, do you think you can help Blair with the color Jeffrey wants...? Jeffrey had a look at the swatch that was sent and his reply was "it needs to be more indigo and shinier"...can you help Blair decipher more?

Blair,,,  
Can you provide a paint sample for me,. 8x11 would be fine?  
I'll pay for it,.."Midnight BLUE PEARL from PPG color chart:  
Color code is: PPG Aerospace Color Chart.  
Code: AL6013 or it's A16013

(after the A it's either a 1 or an L).  
called "Midnight Blue Pearl"

If you don't spray, PPG paint,. If you could match the color to this in your product would be fine,. Just a close match is fine,..

Thx,

Good morning  
Larry, here are  
the quotes that  
you requested  
for the G550  
Exterior paint.  
There is a  
difference of  
10k due to the  
metallic colour.  
I hope you find  
the prices to be  
competitive as I  
know  
Gulfstream is  
very expensive  
and would be  
extremely  
higher. We  
produce the  
same quality  
with much  
lower prices.  
We are also a  
one stop shop  
and do Interior,  
Avionics and  
major Mod's, in  
the future if  
you require  
any of these  
services please  
consider us for  
future work. If  
you have any  
question please  
feel free to  
contact me
