Hello Bella,.

Here is the Antenna that I would recommend trying,. I'm using it at home as well,. Works great, it's FREE HD and Local TV channel broadcast,.

See the link for Zip code reception;

<http://www.terk.com/>

BestBuy sells, them, about \$69 ,,thought it would be good for 301 Apt since you removed Cable TV for local channels, Weather and News,.

No Monthly fees,. Most channels are HD

Thx  
larry
