Subject: Jeffrey Epstein

Hello Erica. Dr Chen called Jeffrey last night but Jeffrey was not available. Dr Chen said he would call Jeffrey today but we want him to call Jeffrey's cell please! Jeffrey's cell [REDACTED] I noticed when Dr Chen called it comes in "unannounced" "no caller ID". ...so I can give Jeffrey the heads up, might you be able to tell me a window of time Dr Chen might call so we assure Jeffrey will answer?

Thanks.
