>>> Boy oh boy this morning was crazy! I hope this does not happen when I am
gone! I had people flying on planes 2 with super hours long delays and needed to
get them changed this morning!! Please please if Jeffrey has anyone flying in
and out you must check on their flight status prior to their departure and make
sure that flights are on time not canceled not delayed etc. If something like
this occurs, you must alert Jeffrey and find options. Like I said, I hope
Jeffrey is not flying people in and out next week!
