Thank you. Yes I received it.

We are on a tight schedule and will be traveling out tonight. We plan to meet with Dr. Chen during our next visit. I shall let you know if we need any assistance during the time. Meanwhile, many thanks again for your concern.

Best regards,

Jabor

Hello Jabor...i wanted to confirm you received the details for Dr. Chen. Please let me know if you wish me to call Dr. Chen's office and tell them "Hamad is a good friend of Jeffrey's"...happy to do so...just want to make sure this is correct...

Dr. Chen has 2 offices...the office on 51st Street is where he does consultations ...the office at 180 Fort Washington Ave is where he does procedures. I have been coordinating Jeffrey's appointments with Erica Paterson.
