Ha! OK. Thanks on the security! All good

Leo is currently helping install a TV in one of the other apartments. As soon as he's done with that he will be able to go clean your apartment. I don't think it's taking that long to install the TV!! I will give him your little list below!!

your apartment for you. He has been with us for several years and has always  
helped out with the cleaning when we need him at the apartments. Rafi should  
have all his information on file.
