Hello All! James is available next week to install 15 free apps on your Apple TV's
for convenience. It should take him about 30 minutes... I propose
the below schedule :

Tuesday Aug. 15:

10am [REDACTED]
10:30am [REDACTED]
11:00am [REDACTED]
11:30am Karyna

Please confirm this will work for you...if not...let me know what day/time is better
for you and we will try to accommodate.

Thanks, Lesley
