Sure, they will be welcomed at the airport with a sign on [REDACTED] name at the airport. Just tell me whether she'll be using her US mobile which I have the number of. So, in case of anything we can call her and reach her.

Besides you should give her the mobile of my colleague in Antalya Ms. Ozlem. She speaks English and she'll be following it up as well.

Will take good care of the ladies, no worries.

In case of anything she can always contact me.

Best,

SEBLA
