Sorry, different stock means ticketing stock. VY can't be issued in US, but if we do it as a co-share flight, tick would be different stock.

hmm, I don't really get what you mean "different stock" ... kinda looks like we may spend about \$30 less in to fly the times he wants her to fly so we need to stick with this. I will email him and confirm...will get back to

For [REDACTED], if we sell outbound on AF stock, will be cheaper:

AF /BT 7985 09JUL RIX CDG 0350P 0545P
OPERATED BY AIR BALTIC CORPORATION SIA

TOTAL FARE - USD 725.30

Morning flight from Paris to Barcelona is cheaper - 239.10.

The way [REDACTED] booked return, can't be issued in US, has to be done on different stock. BA for example, fare

[REDACTED], for [REDACTED] only direct flights, correct? Does it matter what airport in NYC?

Morning! I have been speaking with Solange...Jeffrey changed his mind on the timing of the flights for [REDACTED]

[REDACTED] is to depart Paris July 9th Sunday in the morning ...we put on hold a United flight but the price tag is high
match the price? AA flight round trip, coach with seat choice and bag is \$1779.36. Solange quoted me \$1934

Last is to go from Riga to Paris on Sunday July 9th afternoon now. Paris to Barcelona remains the same on [REDACTED]

Let me know if you can get better pricing than Solange gave me...thanks!
