Oh my! So happy to hear you were able to treat it with vitamin E! I hope they can use a different adhesive for the next round! Quick question, what time will you vacate the apt on sat? Just need to know for the maid ...Take care. [REDACTED]

> I'm feeling much better. I had a bit of a setback with a rather nasty allergic reaction to the adhesive they put on my suture after the staples were removed. It gave me second degree burns on my entire knee. I've been treating it with vitamin E and that has been really helpful. Other than that, it's been ok.
