Ok. James can go any day next week. [REDACTED], seems everyone will be away next week but you. Would another day next week work better and could you go around with James to each apartment? Perhaps keep Tues for you and [REDACTED] then a different day for Karyna and [REDACTED]? Or if [REDACTED] doesn't go to ranch we can have her do another day.

Here is what I need:

[REDACTED], if you don't go to ranch what day next week would you have an hour or so to spend with James in yours and Karyna's apt?

[REDACTED], if [REDACTED] leaves next week what other day besides Tues would work for you to spend an hour or so with James in [REDACTED] and Karyna's apartments?

Thanks. Lesley

Hi Lesley,

I can't either. I might be at the ranch as well but if not I have to attend to the External Relations meeting at IPI from 10am-4pm.

If it is not a rush, I would suggest to do it later this month as it seems no one is here this coming week.

Hello All! James is available next week to install 15 free apps on your Apple
TV's for convenience. It should take him about 30
minutes... I propose the below schedule :

Tuesday Aug. 15:

10am [REDACTED]
10:30am [REDACTED]
11:00am [REDACTED]
11:30am Karyna

Please confirm this will work for you...if not...let me know what day/time is
better for you and we will try to accommodate.

Thanks, Lesley
