Bella,  
It is not being used. It's in a box not plugged in and put away inside a closet metal cabinet.

Hi Bella,

I know you are asking James about a hotspot. I found this  
I just don't know if  
this is one of the  
numbers you  
provided. Below is  
the picture of it and  
the serial so you  
can call at&t and  
find out. Hope this  
help.
