Let's issue the 11am round trip on AA for elina. (Is there another return date that could bring the fare down by any chance?). If not just do it at the \$1779.

Sorry, different stock means ticketing stock. VY can't be issued in US, but if we do it as a co-share flight, ticket issued as another airline (same flight), that would be different stock.

hmm, I don't really get what you mean "different stock" ...kinda looks like we may spend about \$30 less in total to do on "different stock"...I know he wants her to fly the times he wants her to fly so we need to stick with this. I will email him and confirm...will get back to you on this also.
thanks

Does not matter what airport. Direct is Best but give me price for connecting so we can compare. I do know this is high season

For Lasma, if we sell outbound on AF stock, will be cheaper:

AF /BT 7985 09JUL RIX CDG 0350P 0545P
OPERATED BY AIR BALTIC CORPORATION SIA

TOTAL FARE - USD 725.30

Morning flight from Paris to Barcelona is cheaper - 239.10.

The way Lasma booked return, can't be issued in US, has to be done on different stock. BA for example, fare will be a little bit higher - 302.00

Lesley, for Elina only direct flights, correct? Does it matter what airport in NYC?

Morning! I have been speaking with Solange...Jeffrey changed his mind on the timing of the flights for Elina and Lasma

Elina is to depart Paris July 9th Sunday in the morning ...we put on hold a United flight but the price tag is high! I can see on Orbitz flights for less...can you match the price? AA flight round trip, coach with seat choice and bag is \$1779.36. Solange quoted me \$1934.06 for the United flight we have on hold.

Last is to go from Riga to Paris on Sunday July 9th afternoon now. Paris to Barcelona remains the same on Tues. night July 11th...

Let me know if you can get better pricing than Solange gave me...thanks!
