not at all! He actually popped by just yesterday to say hello because Laura (his
wife) was having [REDACTED] done around the corner...so it is
ironic that he rec'd the call today from ADT. He was super happy
yesterday...today he sounded a tad annoyed, but kept it civil of
course. Said it was good to see me, Jojo, Merwin...not a long
conversation. Yesterday he was sure to show me his "Union" ring for
being a member for however many years.. (beyond me why anyone is
in favor of the union...but ..whatever,...he is proud...) He was kinda
regular Rich. So happy to have Merwin and Leo now...change was
needed...
