We tracked the package and determined that it has gone through Miami Customs. It next out for Delivery to Boca Raton process center. Then to El Brillo. Was it business day delivery or "Expedited" ?Business day would be Monday. I submitted my own email for delivery notification in case it will be during the weekend. Then I will go to sign.

Thanks,

Ok I think it may require a signature. They may have to try back on Monday. We are still waiting here in NY as well for a package from her.

Good morning, Lesley!

There are two packages that should be
delivered today (as I understood):

one to Palm Beach with USB with
tracking number 5327945652
and the other one to New York with
drawing and USB with tracking number
5327945641

I hope everything goes smoothly :) I
will keep checking them.

Have a wonderful day!
L.
