I have purchased your tickets! As soon as I receive I will forward to you. Please check into your flight Monday morning and try to get better seats. I could only assign middle seats right now. There are better seats but they are under airport control. You can go to the hotel front desk or concierge and ask them for help to print boarding passes. Usually hotels have computers set aside for guests to do this. Check in and change your seats if possible. ◆

There are a few flights on Monday but all super expensive. The tickets you are holding cannot be changed. They are very restricted tickets. Brand new tickets must be purchased. I'm sure the hotel can keep your bags safe so you can enjoy the day after checking out.

Hi [REDACTED]...this flight only has one seat
left in Biz class. Jeffrey says I can book
you and your friend on the direct, red eye
flight if you prefer. It departs at
11:30pm and arrive New York at
7:30am. Please let me know if you want
me to book this flight for you both.
Have FUN!!!!!! thanks, Lesley
