ok...all good...I don't have anyone at the moment needing an apt but we will have 2 long term guests coming up:

7J Cecile Sept. 6-30 (for surgery)  
10B Yoni Sept. 4-Oct 19 (for medical treatment)

So it will be nice to have 8A available and to know 11P is close...We also have 3M but I don't know if Svet will be needing it some come Sept...thanks

Hi [REDACTED]  
8A is ready, 11P not yet, still waiting for the curtains. But if we have to, we can use it, just let me know please, we will have to move a few things away.  
Thanks.
