Hi Jeffrey,

Regarding the coconut palm grove,whether we allowed to purchase... I can come back on those following dates:

From: 27th to 29th

or

From: 02th to 4th

I'll be then travelling to Canada from the 6th to 20th.

The first coconut grove end up badly because of my misunderstood regarding the 50', but I would like to show you, in terms of esthetic, how I could achieved this job following the idea of a natural landscape. Please find attached some pictures of a restaurent I've done, you may like it's simplicity, materials (ipe decking) and plants.

Best regards,

Kevin.
