I think we should get you one of these as well for just in case. I can bill JE for mine, but yours we will buy on our tab! James will come Sept. 21st...Ty will be home from school so I can have James work on Ty's phone and Ipad and anything else Ty might need.

Battery backup, yes.

Please purchase this:

<https://www.amazon.com/gp/aw/d/B01FWAZEIU/>

It's 11" x 5.5" x 4", with a right-angle (hugs the wall) plug. It can live on the floor or desk.

Optionally, you may want a second one for Ike's iMac. They're heavy, so you definitely want them shipped to you.

I'll install them so that when the power goes out for an extended time, it'll shut down the computer(s) to avoid damage.

So you know. The battery wears out after 18 months or so, so they'll need to be replaced. I can

show you how that's done.

Thank you,

James Ce

We had sort of discussed my computer needing more back up due to the power outages we get here? (we had one last night incredibly...but my computer started up totally fine today) I am not sure what you think on this...
