Subject: [REDACTED] check in ticket number...

[REDACTED] can check in now! Please be sure [REDACTED] she does With proper ticket number below!
[REDACTED] say Aeroflot can be tough! We have had a lot of tickets going around with her and I
don't want her to have a problem. She should go early to airport even. ♦

For [REDACTED] and check in...please tell her to still wait as we are voiding the other check in she
already did still...takes time...:
New ticket number [REDACTED]. So she will have to check in again (online).
