ARRIVE ON TIME

For passengers traveling domestically (within the U.S):

Due to peak summer travel season, many airports are experiencing a high volume of passengers, resulting in long check-in, baggage drop and security checkpoint lines.

Please plan to **arrive at the airport at least 2 hours prior to your scheduled departure time**.

For passengers traveling internationally:

Due to recently-implemented U.S. Department of Homeland Security (DHS) enhanced security requirements for customers traveling from any non U.S. location, we strongly advise all passengers to **arrive at the airport at least 3 hours prior to your scheduled departure time** and proceed to your departure gate promptly to allow extra time to clear security.

We also encourage passengers to check-in online at delta.com or via the Fly Delta app to avoid delays.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, Delta no longer accepts **hoverboards** and **any lithium battery powered self-balancing personal transportation devices** on aircraft. These items are prohibited as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in baggage only. If your carry-on bag contains these items and is gate checked, **they must be removed and carried in the cabin**. Further information and specific guidelines regarding restricted items can be found [here](#).
