ARRIVE ON TIME

For passengers traveling domestically (within the U.S.):

Due to peak summer travel season, many airports are experiencing a high volume of passengers, resulting in long check-in, baggage drop and security checkpoint lines. Please plan to **arrive at the airport at least 2 hours prior to your scheduled departure time.**

For passengers traveling internationally:

Due to recently-implemented U.S. Department of Homeland Security (DHS) enhanced security requirements for customers traveling from any non U.S. location, we strongly encourage you to **arrive at the airport at least 3 hours prior to your scheduled departure time.** Proceed to your departure gate promptly to allow extra time to clear security.

We also encourage passengers to check-in online at delta.com or via the Fly Delta app to avoid delays.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, Delta no longer accepts **any lithium battery powered self-balancing personal transportation devices** on board aircraft. These items are prohibited as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in checked baggage only. If your carry-on bag contains these items and is gate checked, **remove and carry in the cabin.** Further information and specific guidelines for restricted items can be found [here](#).
