I am! I'll be taking Sunday off for my birthday, but otherwise I'm available.

Upcoming Apple news that will likely be of interest:

Upcoming iPhone announcement within the next two weeks:

iPhone Pro (expect screen of the Plus phones in the size of the 7; wireless charging; facial recognition; 5-tap quick lock to disable Touch ID / facial recognition)

Apple TV 4K -- I know Paris & NY have 4K projectors already.

Apple Watch 3 -- maybe they get it right this time?

In December, Apple releases iMac Pro and Home Pod wireless speakers.
