10:45AM is great. The installation portion will take ~15-20 minutes, leaving us plenty of time for questions.

Nili must leave by 11:40am for an appt at noon...will this give you enough time with her? Should you go 10:45am?

This works. If Nilli can move to 11 that would be excellent.

(I have to swing by the office before to pickup the cheat sheet for 11J)

Hi James...Yoni in 10B will be in the apartment this Friday 12-12:30pm. Would this work for you to see him? If need be, I can ask Nili to scoot her appointment with you to start at 11am so you don't have down time...or is there anything else you need to do at 301?
