I am not sure what Jeffrey will want to do with the new couple...I have not booked flights for them. Please advise if either of you hear what the next step is with them. Thanks.

[REDACTED], Jeffrey said he won't have an answer at least until Monday depending on the hurricane situation in Florida...

Hi Karyna...I understand I am to purchase tickets for Carluz and Arline Toylo to come to NY and train at 71st...assume you are aware? Rich says they are to start Oct. 1 (which is a Sunday) ...so I could fly them here Sunday Oct. 1 and they start training Oct. 2? He says he assumes they will need an apartment?...have you spoken to Jeffrey about this? Did we want to give them a studio? 8A or 11P? I can certainly ask Jeffrey these questions if you do not know...but I thought I would start with you!

Please let me know.

Thanks, [REDACTED]
