ok super!  
Well, I asked Jeffrey and all he came back with was: Black

I looked at the Prada website and found the below I personally think is nice:

What do you think? I sent it to him, but he did not respond...As long as you get a gift receipt  
she could always exchange it...but if it were me, I would love to receive this tote...I believe  
they have this at Bloomingdales and Prada at 841 Madison Ave...
