funny -- I don't know anyone who would want to buy the condo in Greenwich; but whoever does buy it, we can help them with their loan! (we don't have a realtor here. . . . but I get it. we have lots of wealthy clients and the location is greenwich, so there are some dots connecting.)

anyway, likely stops here. . . .

Spoke with James Meiskin today???he is the one that was asking if you might like to be the personal assistant of Swizz Beats (Alicia Keys husband)???anyway, he asked how you are and I told him you were working at a boutique bank in Greenwich as assistant to the CEO???he immediately wanted to pass this condo along to see if you might know someone who would like to buy it...

Great speaking with you earlier today. If you and/or your sister could be helpful per the attached, the developer would be able to offer great compensation. Please let me know if she feels that she can be helpful. Best,

James
