Dear [REDACTED],  
Happy Monday! Of course!

Here is the concert site: <https://www.gardnermuseum.org/calendar/event/charlie-albright-20170917>

It's the first of three concerts I'm giving there this season. It starts at 1:30pm on 9/17/2017 and is an hour-long concert. Should be all through by 2:30pm. I'm playing the Chopin Andante Spianato/Grande Polonaise Brillante, and the Chopin Etudes, Op. 25.

I have 2 tickets I've been saving...if Mr. Epstein can come I'd be honored to have him as my guest! Please let me know if he might be in the area that day~
