Greetings L,

We are well thank you. [REDACTED] is still coming up for her surgery. As soon as she sees this email and has service she will respond. I am meeting her about 12 noon today, so if need be, we will give you details via my email.

Kind regards, DW

Hi Daphne and Ana. I hope you are dealing as well as you can.

Have you spoken with [REDACTED]? Or can you reach her? We are trying to figure out if she still plans to come for her surgery September 19 through October 17. ...or will she be rescheduling? We're working with apartment stuff and I kind of need to know. If you can reach her can you let me know. Thanks. [REDACTED]
