Hi Mark...it is always safe to send to NY...
Jeffrey Epstein
9 East 71st Street
NY, NY 10021

Let me know when you plan to send however...if there is a better address, I can pass along...if you send to NY, please let me know when so I can tell the house to expect it...Also, include a gift receipt type thing so we know it came from you! WE get tons of packages (and lots from Amazon) I want to be sure it is received and noted ;)
