Peter Attia put me in touch with Jesse who he believes you should have your back assessed with. Jesse says he would need approximately 90 minutes to do the screen. He can come to 71st as he carries his own tools (or you could meet at his gym for one on one assessment and training at the gym he works out of in Soho - Work Train Fight, 636 Broadway 2nd floor (between Bleecker and E. Houston.)

He will be away on vacation July 28-Aug. 4. Did you want to see if he could come to the house this Friday while you are here?
