Hey [REDACTED] Dylan here. Sorry for bonking your =ampshade with my hat this morning :-P

If I were =riting to Jeffrey directly, it'd go like this:

Hi Jeffrey, I =as happy to meet you this morning.

You asked to =ee some things I've written. Here's my (only slightly =ut of date) professional web presence, including Letterman =lip:

Here are a few =ories I've written more recently that are not displayed on my =ite:

You might get a =pecial kick out of this Trump story:

What kinds =f media goals/story ideas are interesting to you? Masha has made it =lear that she wants me to write something about you, but that's =uch more your call to make. I suggest that there is mileage to be =ained by quoting you in a story about how proper implementation of =ryptocurrency might solve financial corruption issues.

I travel =ack to Austin, Texas tomorrow evening, but am of course reachable. =anks again for your time this morning.
