The closest full concerts to NYC this season will be a small one at the Emelin Theatre in Mamaroneck on 10/22 and one in Ossining much later on 5/12. I'll also be performing with the Chamber Orchestra of Philadelphia the beginning of November, 2017.

Seattle, just back from a performance in Norway). But I will be in Rockport, MA for a concert on June 25...is there any chance that he might be around the Boston area at that time?
