the earliest flight out for [REDACTED] through Helsinki is at 11:50am and does not arrive Paris until 6:10pm! I don't consider this morning arrival. I assume there is a reason she must fly through Helsinki? If so, may I go ahead and book this ticket that has her arrive at 6:10pm? the flight home direct

Hello, [REDACTED]!

My name is [REDACTED], not so long ago I was in correspondence with you. [REDACTED] said to send you a pdf-file (Passport.pdf) of the passport for buying tickets. I also apply the [REDACTED] visa (photo Visa). I have a [REDACTED] visa to Finland, so I need to fly to Paris via Finland. Early in the morning, fly to Finland, make a stop for 1 hour, then fly to Paris. (Moscow - Helsinki - Paris) And back from Paris, I can immediately fly to Moscow.

Thank you!

Sincerely, [REDACTED]
