I want [REDACTED] to be able to help me out sometimes when it comes to the craziness of changing travel over the weekends! Specifically, [REDACTED], I am hosting a party for 80 people and my parents will be here from TX)...I will be busy...I am concerned with Jeffrey being in Paris and all the millions of changes we did last time with tickets (well, it was over the weekend so I was calling your co-workers constantly) I will be fully occupied Oct. 14 and on Oct. 15th I will be most likely in no cell service areas with my parents (visiting my sisters kid at boarding school). I am trying to navigate possible issues now! What does [REDACTED] use to identify herself if she calls to change/make travel arrangements? Last 4 digits of her social security #? I want to give her all the tools she needs! thanks
