Sounds good. Happy to touch base with you Peter about JE, and then problem solve the leg issue together.

Lesley, Mary –

I spoke with JE this morning about his legs and I want to propose that Jesse and I meet with him for an hour when we are all in NY. I want to put him through a set of exercises to try to diagnose the problem.

(Jesse, I have some ideas I'd like to run by you before we see JE).

Thanks much,

P
