Ok. Shall I communicate this to Merwin. Regarding tracking of vacation are you thinking nes or all employees? Not sure if this is overkill for jee but I will discuss on his next visit. Thanks.

Sounds good. I do know jeffrey requested merwin always be at the house when JE is in town also. So merwin will also be expected to work weekends some.

I spoke with Merwin and JoJo and told Merwin he must track everyone's days when they work weekends from when jee is in residence. JoJo told me he is not currently owed any days. I asked Merwin to send an excel schedule to all of us each week so we can monitor and communicate with jee If and

when necessary. Let's see how this works
