Hello Alanna. Might we be able to organize a video call (is that a Skype call?) for this Friday Oct. 6th? I am not sure what time zone you (Bryan) will be in...we will be East Coast time...If not Friday Oct. 6th, will Monday Oct. 9th work? Please let me know...thanks, [REDACTED]

Thank you Masha. Hi Lesley - I'm in town until Wednesday afternoon and have a really tight schedule but would like to meet up with Jeffery if possible. What does his schedule look like today?

Hello to you both,
You're both already briefed, so I'll keep this short.

Bryan is building Kernel, and today I spoke with Masha about the potential value of him and Jeffrey chatting. Masha has spoken with Jeffrey, and will be working with his team to hopefully coordinate time to connect before Bryan leaves on Weds.

@Masha: I'll let you take it from here.

Thanks so much!
