Larry,

Great to hear! Attached is the preliminary trip sheet for your reference and I apologize for omitting in the previous email but West 30<sup>th</sup> Street is correct for Sunday as East 34<sup>th</sup> is closed weekends. Also, we will give Bard College a call, we are still showing Randy Clum as the contact.

Our clients (and pilots) have really enjoyed the 429 so far, and I'm sure Mr. Epstein will as well. Pictures are attached.

Do you have an idea of the total number of passengers? It seats up to five but would just like to run a preliminary weight and balance if there will be more than three.

Thanks again!
