I am told it is difficult to say the exact start time for the Central Park shoot... it could potentially be over come 4pm! Best to go in the morning...however, Woody has changed the start time of the shoot to 8am...**We will have Arina meet you at 7:30am** at your apartment and then go on to the shoot with you...it may wrap up as early as 10am!...it is a 'play it by ear' scenario!

But if the Central Park shoot starts not to early, say 4pm+, it would be even better

Hello Misha. I have been asked you only attend one shoot tomorrow as

it is hard to accommodate a guest for 2 shoots. I am told the Central Park shoot may be more interesting! They will have a horse and carriage for the shoot. But whichever is best for your schedule is what you should do! Please let me know which shoot you would prefer to attend. Thanks, Lesley
