love you [REDACTED]!

[REDACTED] It's kinda the hair/it's kinda the accent (yes, I know different but I love both) she is strong and so are you!... and you are for sure just as pretty!  
I haven't seen Brice in sooooo long, I can't remember what he looks like! I just know he sports jeans and a cowboy hat (which of course I love being from TX)  
Susan Sarandon...hmm...interesting...yes, the shoe size!  
Take care!

Too much thinking about hair💎💎  
Husband - Ozzy Osborne - Brice - another hair thing - one lacking, one not  
But will take Sharon Osborne as a good compliment-no messing around with that girl,  
would like to look as pretty💎  
Funny, has been mentioned before and for some reason Susan Sarandon - something  
about the eyes everyone says, unable to see that - more like we have the same shoe  
size💎  
Have a great weekend  
All the best

[REDACTED]-you remind me of Sharon Osborne! I love her! Has anyone  
ever told you that? 💎 I just saw her on TV and it got me thinking.
