Hi [REDACTED]

Not going to lie, the cab scenes are boring and quick. Normally it's just them hopping in and leaving.

If he comes with only himself, he could probably fit in the restaurant. If he comes with multiple people he can only come for the exteriors.

Not shooting oct 9 unfortunately.

We will then move to an exterior shot for a cab scene and then an exterior shot for another cab scene. Do you know what time he'd try to visit at? I don't have the addresses nor times we will be shooting yet but could try to guess lunch time and when we won't be around on set.
