Hi Erica,

I'm sorry for the delay in responding. I am leaving town shortly for conference, but perhaps Mr. Epstein can see my colleague, Rami Said. Dr. Said is a terrific clinician with 2 degrees from Cooper Union as well as Doctoral degree from Columbia. Over the years, we have shared many patients. If Mr. Epstein prefers I will be glad to squeeze him in immediately upon my return.

I have copied Alicia Aracena and Ivette Gonzalez to facilitate scheduling.

Regards,

Evan
